Immigration and Ships Passenger Lists Research Guide
http://www.researchguides.net/immigration

At the Mystic Seaport website below, click on Research, then Collections on the drop down menu. Then Collections and Library. On that dropdown menu click on Catalog of Books, Periodicals and Manuscripts. Enter enter passenger lists or passenger records under their Simple Search. There is a very nice collection of books here on this topic. Once you find a book you would like to see, check with your local library. They should be able to request it for you through Interlibrary Loan.
