BIBLE CHARACTERS AND EVENTS IN FICTION

Novelists have long intrigued readers with fictional works based on Bible characters. Some are love stories. Others portray Bible characters so that we might better understand the men and women of the Old and New Testaments. Though the Bible stories are familiar, readers of these novels will gain new insight into the lost world as the novelists write of people, places, and events from the Bible.

The books on this listing are shelved in the Fiction Collection on the second floor arranged on the shelves by the author’s last name. The “Call Number” is listed underlined after the book title. Other books may be found by doing a Subject Search using either of these two headings: “Bible Fiction,” “Bible, Old Testament - History of Biblical events – Fiction,” or “Bible, New Testament - History of Biblical events – Fiction.” Ask a Reference Librarian, if you need help.
