BREAST CANCER: DETECTION, TREATMENT, AND CARE

Women with breast cancer, like other people with a cancer diagnosis, are now surviving much longer, and in large numbers. The books on this list provide inspirational breast cancer survivor stories about the whole experience – from shock to treatment to caring relatives and friends. The Newton Free Library, as well as the Minuteman Library Network, has many other books to help readers understand this highly personal subject. The listed Web sites can also be very useful and informative. Ask a librarian, if you need help. SPECIAL NOTE - The material and links listed on this bibliography should not be construed as medical advice or instruction.
